School Improvement Plan | 2018-19

For the 2018-19 school year, our community at Folwell Arts Magnet is dedicated to working together toward our school-wide goals, focused on increasing the academic achievement of all students and ensuring that our school is a great place for all learners.

This year we are striving to achieve the following goals:

Goal 1: The percent of ALL students in all grades tested who demonstrate a year's growth or more on the Math MCA at Folwell Arts Magnet School will increase from 18% 2017-18 to 28% 2018-19 school year.

Goal 2: The percent of ALL students in all grades tested who demonstrate a year's growth or more on the Reading MCA at Folwell Arts Magnet School will increase from 27% in 2018-19 to 23% 18-19 school year.

Goal 3: By October 2, at least 80% of staff will be able to identify and share 1 community building activity, that they have implemented (Aug.-Sept), during our full day staff development day. At least 80% of the staff will write their activity down and turn it in. A bank of strategies will be gathered and shared with staff based on replies. Identify welcoming ritual that you are going to use for the first cycle of the year. At least 80% of teachers will share out on Oct. 2 (end of cycle, celebration)...

In order to reach these goals, we'll be using the following strategies:

Balanced Literacy	Readers Workshop Components (Reading aloud using Social Emotional Learning, Shared Reading, Ind. Reading, Conferencing, Guided reading Groups, Individual work and guided writing. GLAD strategies will be incorporated throughout the Balanced Literacy Block.
Math	Guided Math Workshop will be implemented, monitored, done with fidelity along with interventions and looking at progress weekly.
