

Folwell Update

Hello Folwell Families,

We miss you!

We wanted to share updated information on some resources available to our community.

During the strike, Minneapolis Public Schools is offering emergency child supervision at a few school sites from 7am to 5:30pm. Folwell is not a location offering childcare at this time, but please contact our main office for help requesting a placement for child supervision, or request a placement online via [this form](#).

Folwell is providing free bagged breakfast and lunch for students each day during the strike from 9am to 1pm. Please come to the main office for food pick up! If you would like packaged meals for your students but are unable to pick them up from the school during the designated time, please contact our main office by phone or email to schedule a food delivery or alternative arrangements.

We encourage students to continue to read every day as well as utilize Dreambox and Lexia while classes are canceled. These resources will continue to be available to your students even when we do not have classes.

Please continue to celebrate our school and our community! On Fridays we continue to wear Folwell apparel or maroon and gold. Share your Folwell Friday outfits and school spirit with us on social media! ([Facebook](#), [Instagram](#), and [Twitter](#))

If you or your students need any additional support during this time, please contact the main office so we connect you with available resources.

We miss our students and families so much and hope to see you all soon!

Sincerely,
Folwell Principal, Assistant Principal, & Office Staff
